

Shyamasree Nandan
Deputy Vice President
SRO, Research & Data

Shyamasree has over 8 years of experience in Financial Inclusion and Microfinance. She brings a variety of expertise to her role including proficiency in data analysis, research, self-regulation and understanding regulatory best practices. Shyamasree has a keen interest in client protection practices and intends to explore innovative ways of developing and implementing client protection practices in the microfinance sector. In her current role, Shyamasree is responsible for quantitative and qualitative research on compliance related to the regulatory framework by member MFIs, preparing notes and reports with insight into client protection practices and policy advocacy.

Shyamasree is a Graduate from Calcutta University and has an experience as a Statistical Coordinator for a Kolkata-based journal on Steel and Allied sector.
