

## **Mr. HP Singh (Chair)**

### **Satin Credit Care Network Ltd**

Mr. HP Singh's passion for social engineering has guided SATIN to reach around 3 million Indian families and make a positive impact on their livelihood. As a result, SATIN is one of the leading microfinance companies in India, with Asset under Management (AUM) of approx. USD \$ 960 mn (as on December 31, 2022). Under Mr. Singh's leadership, SATIN has become a crusader for innovation in the micro finance industry. He is acknowledged for pioneering the unique concept of daily collection of EMIs to make loan repayments flexible and convenient for millions of daily wage earners. HP Singh is a law graduate and a fellow of The Institute of Chartered Accountants of India since 1984. He also holds academic and industry expertise across auditing, accounts, project financing, advisory services and company law matters. He has also participated in Harvard Business School's Accion Program on Strategic Leadership for Micro finance in 2009, and the leadership program by Women's World Banking at Wharton Business School, University of Pennsylvania in 2011.

Mr. Singh is also a part of industry forums like Sa-Dhan, where he serves as Chairman and the Federation of Indian Chambers of Commerce and Industry (FICCI), where he lends his expertise as a Banking and Financial Institution Committee member.

Ever since the company's inception in 1990, Mr. Singh has continued to be at the helm of its day-to-day operations and long term strategy. In the coming years, his guidance will play a crucial role in establishing SATIN as the most diversified non-banking finance company (NBFC) in India.
