

Sangeeta Naik

Vice President

Member Engagement & Sector Development

Sangeeta has a total experience of 25 plus years with a Master's degree in Mathematics and two diplomas in Computer applications and Computers in Office Management. She has 12 years of experience in Social Research at ACNielsen ORG MARG before joining the internationally reputed BASIX Social Enterprise Group where she worked extensively on livelihood project execution. Sangeeta has experience for 9 years working with women, tribal and small & marginal farmers. Sangeeta has been always a data savvy person engaged mostly in MIS and delving deep into data mining aspects as well in formulating innovative strategies with regard to livelihoods. This has helped her in the natural transition towards the present role of handholding microfinance institutions who are engaged in community development finance, to successfully overcome their difficulties towards sustainability while achieving their social mission.
