

Jestin Johnson

HR Executive

Jestin Johnson has an MBA from Amity University with a specialisation in HR and Finance and a BBA from IP University. Jestin has completed Finance and Human Resources internships, gaining experience in financial data management, candidate sourcing, recruitment coordination, and employee data digitisation. Jestin has worked with companies like Dhanpat Rai & Co., Hiresteezy, and Triveni Engineering. He also conducted a research project titled “**Employee Engagement in the Digital Age,**” examining how digital tools affect job satisfaction and communication in the workplace.
