

**Hari Darshan Mishra,
Assistant Vice President,
Social and Financial Impact.**

Hari Darshan Mishra is a development sector professional with over five years of experience in programme management, women's economic empowerment, livelihoods, financial inclusion and institutional strengthening.

His expertise spans project design and implementation, stakeholder and partnership management, monitoring and evaluation, donor reporting, capacity building, proposal development, and impact assessment.

Prior to Sa-Dhan, Hari worked with Bihar Rural Livelihoods Promotion Society (JEEViKA), where he gained valuable grassroots experience in strengthening Self-Help Groups (SHGs), community institutions, and government-led livelihood programmes. He has also worked with I-PAC and SATYA Shakti Foundation, contributing to public policy, community mobilisation, and development programmes.

Hari holds a PGDM in Rural Management, with a Bronze Medal for outstanding academic performance and an MBA in Human Resource Management. He is passionate about building sustainable development models that combine social impact with institutional growth, financial inclusion, and economic empowerment, particularly for women and underserved communities.
