

PROFILE

Devender Samant

Assistant Vice President

Member Engagement, Capacity Building

devender@sa-dhan.org

Devender has a Masters in Economics from Annamalai University and PGDBM (Finance) from YMCA, New Delhi. He has over eleven years of experience working on various Government-funded projects from NITI Aayog, ICSSR and Coal India.

He was associated as a Senior Research Fellow with TERI School of Advanced Studies on need and impact assessment of sustainable livelihood activities on re-claimed open-cast mines. He contributed in preparing a comprehensive report and submitted it to the Ministry of Coal. Further, he also organised an International Conference on Agribusiness in Emerging Economies in Delhi.

He worked with the Government e-Marketplace in facilitating procurement of tools and equipment in Government schools across 25 states in India. He has also coordinated with stakeholders like the National Skill Development Corporation and Sector Skill Council, PSSCIVE etc. in implementing vocational education in states. Additionally, he possesses experience in designing vocational educational labs.
